Notice of Restoration and Withdrawal of Land in Railroad Grants in the State of Arkansas.

in Railroad Grants in the State of Arkansas.

NOTICE is hereby given, that, in compliance with the request of the governor of Arkansas, the President, by his order bearing date the 5th of April instant, has directed that the fands situated in the townships hereinafter enumerated, which were heretofore withdrawn from market and reserved from sale or entry, except for precimptions, as lying within the probable limits of the grant for the Cairo and Fullon railroad and its branches, in the State of Arkansas, shall be restored to market, and that certain other lands situated in townships named below, within the probable limits of the grant, according to the routes as fixed by the recent nets of the State of Arkansas, shall be added to those heretofore reserved from sale or entry (pre-emption claims excepted) until further orders:

Therefore, all the vacent lands subject to sale at the several land offices hereinafter mentioned which were subject to private entry at the date of their withdrawal from market, and which have not been pre-empted, in the following townships, will again be subject to private entry on and after Monday, the leth day of June next, to wit:

In the district of lands subject to sale at HELENA : North of the base line and east of the fifth principal meridian. Township 1, of ranges 3, 4, 5, and 6. Township 8, of ranges 3 and 4. Township 9, of range 7.

Township 9, or range 7.

South of the base line and east of the fifth principal meridian.

Townships 1, 2, 3, and 4, of ranges 1, 2, 3, and 4.

Townships 1, 2, and 3, of range 5. South of the base line and west of the fifth principal meridian.

Townships 1, 2, 3, and 4, of range 1. Townships 2, and 3, of range 2.

In the district of lands subject to sale at Little Rock:

North of the base line and west of the fifth principal meridian. Townships 3 and 4, of range 17.

South of the bare line and west of the fifth principal meridian.

Townships 2 and 3, of ranges 3 and 4. Township 3, of ranges 5 and 6. Township 5, of range 13. North of the base line and west of the fifth principal meridian.

Township 7, of ranges 1 and 2, Township 16, of range 4. Township 14, of range 5. In the district of lands subject to sale at Washington:

South of the base line and west of the fifth principal meridian.

South of the base line and west of the fifth p Township 2, of range 19. Township 3, of range 20. Township 5, of range 21. Township 5 and 6, of range 22. Townships 6, of range 23. Townships 6, of range 24. Townships 8, 17, 16, 19, and 20, of range 25. Townships 18, 19, and 29, of range 25. Townships 18, 19, and 29, of range 27. Townships 19 and 29, of range 27. Townships 19 and 29, of range 27.

In the district of lands subject to sale at CLARESVILLE:
North of the base line and west of the fifth principal meridian

Townships 1, 2, 3, and 10, of range 18.
Townships 2, 3, and 10, of range 19.
Townships 2 and 3 of range 29.
Townships 3 and 40, of range 29.
Townships 3 and 4, of range 22 and 23.
Townships 4 and 5, of range 22 and 23.
Townships 4 and 5, of range 25.
Townships 4 and 5, of range 29.
Townships 4, 5, and 8, of range 29 and 30,
Townships 5, of ranges 21 and 30,
Township 5, of ranges 31 and 32.

That all the lands situated in the same State in the following named townships, in addition to the lands heretofore reserved and not above restored, will be reserved from sale or entry (excepting for pre-emptions) for the purpose above specified, until further orders.

In the district of lands subject to sale at BATESVILLE : North of the base line and east of the fifth principal meridian Township 10, of range 1.

North of the base line and west of the fifth principal meridian Township 8, of range 12. In the district of lands subject to sale at Little Rook : North of the base line and west of the fifth principal meridian.

Township 7, of range 11. South of the base line and west of the fifth principal meridian. Township 9, of range 16. Township 10, of range 17.

In the district of land subject to sale at WARHINGTON: South of the base time and west of the fifth principal meridian.

Township 13, of range 91.
Township 14, of range 92.
Township 13 and 14, of range 30.
In the district of lands subject to sale at Champaonolus:

South of the base line and west of the fifth principal meridian. Township 11, of ranges 18 and 19. Township 12, of range 26.

Pre-emption claimants emitted to any of the above mentioned lands to be restored to market at Monday, the lefth day of Jane next, on settlements already made, or which may hereafter be made, it is auggested should give notice of their claims, and file the proofs with the land offleers before the day appointed for the restoration of the lands, so as to brotect their claims from private entry on and after that day, and prevent much difficulty and delay; and claimants mader the act of 27th March, 1834, must file their proofs and make poyment before the day of restoration, or the same will be forfeited. Given under my hand, at the General Land Office, at the sity of Washington, this thirtieth day of April, anno Domini one thousand eight hundred and fifty-five.

Treble Patent Improved Eyelet Machine. TIRST patent—combined on one stock.

Recond patent—self-feeding with eyelets.
Third patent—patent improved fishener, riveting both sides.
All parties in want of a good cyclet machine are strongly recommended to use none but Lipman's patent improved, which is decidedly the best ever brought before the public, possessing numerous advantages, viz:

advantages, viz:

It is strong, durable, and not liable to get out of order.

It punches the bole well, and, to fit the eyelet, and in one operation clinches the eyelet on both sides.

It saves time, us the papers, &c., need not be reversed or turned over to clinch the eyelet a second time, as is the case with all other machines. mechine.
It is useful to the merchant is filing away papers, as well as to the attorney or conveyances, the shoemaker, tailor, milliner, and numerous others, and is a very laber-saving machine.

C., which is all the different control of the said company in Georgetown, D. C., and the made at they of August, 1855, for the renewed of said or Cricication stock.

July 14—law4w* Trustee of Thomas Crampini, deceased.

DUBLIC Sale of Surplus Water Powers and Lands of the Savage Manufacturing Company on Thursday, 25th July, at 11 o'clock, on the premises, in Howard county, Maryland. The undersigned, a committee of the accelonders, will sell, as above, about 700 acres of land, divided into tweive lots containing from , 10 o'fo acres of every variety. These tands are milway between Baltimore and Washington, ile near the Washington railroad, and some of them bid on, and all are usar, the Baltimore and Washington turnpike and the village of the company, and surround 200 acres reserved by the company about the factory.

There are also three water-powers: one of 11 feet 5 inches believe the factory and one of 25 feet above, with a good race; also, a third above the second-named.

Terms of sale: One-third cash; and residue in one and two years, with interest and sectivity.

For a further description of the said lots, the undersigned refer to the Baltimore papers and the plan jest on the premises and in the

For a further description of the said lots, the undersigned refer to the Baltimore papers and the pians iest on the premises and in the possession of the undersigned. The lands are admirably simuled, and the water-powers would command a good country and city custom for flour and paper mills.

Committee.

Miss Brooke's English and French Boarding and Day School, No. 138 Fennsylvania avenue. Day School, No. 138 Pennsylvania avenue.

M ISS BROOKE, from Failadelphes, having taken the bouse at the discount of the street and Pennsylvania avenue, in the block known as the Saven Buildings, will open on Monday, September 10, 1855, a bounding and day school for young ladies. Many sears' experience acquired in the first institutions at the North, among which she will have S. Mary's Ball, Eufinguism, New Jarsey, and the Episcopal Female Institute, Philadelphia, enables her to offer her patrons superior advantages in the organization of her establishment. The structure, bistory, and literature of the English language will form a prominent feature in her system of education. Mucle and the modorn languages will be taught by the best professors, and in Frenct, especially, every facility will be afforded for the nequisition of a Farisian ascent and prenunciation. Circulars, stating genus and other particulars, may be had at the principal book stores, or of Miss Brooke, No. 464 E street.
